Your slow footsteps come to me step by step
This moment won't ever come again
In just three tries, you come into my eyes
Now it's the fourth time, don't stop

Baby Our Love So Blue
I'm drunk

With your slight touch
Love so blue
I'm falling deeper for you
Baby our love so blue
My trembling breath
Tonight (tonight)
(I feel like I can't breathe)

I'm Falling For You
Come to me, shake me up
Don't burn me up but take my heart
Be honest with me
I'm Falling For You
Whisper in my ear
Don't rush but take my heart
Come closer to me

I can't take it anymore
I can't take it anymore
I can't take it anymore
I've already fallen for you
I can't take it anymore
I can't take it anymore
I can't take it anymore
I've already fallen for you

I'm mystified
Where am I?
I always make it so obvious
My eyes have the truth, no lies
Even if I don't say anything
Where is your heart boy?
My head hurts, oh my
Tell me in my ears, oh my
My head hurts, oh my
Tell me in my ears, oh my

Baby Our Love So Blue
I'm drunk
With your elusive eyes
Love So Blue
Without anyone knowing
Baby Our Love So Blue
Show it to me
Tonight (Tonight)
(I feel like I can't breathe)

I'm Falling For You
Come to me, shake me up
Don't burn me up but take my heart
Be honest with me
I'm Falling For You
Whisper in my ear
Don't rush but take my heart
Come closer to me

Carefully hug me
Softly love me
Tonight, our night
Softly hug me tighter
Sweetly love me
Tonight, our night

I'm Falling For You
Come to me, shake me up
Don't burn me up but take my heart
Be honest with me
I'm Falling For You
Whisper in my ear
Don't rush but take my heart
Come closer to me

I can't take it anymore
I can't take it anymore
I can't take it anymore
I've already fallen for you
I can't take it anymore
I can't take it anymore
I can't take it anymore
I've already fallen for you
