Na na na na na na
Oh-oh-oh-oh-oh

I was so sad
I was so empty
I'm looking for you
Went to look for you
And looking for you again
I sometimes look at the pictures
We are in together

I have tears, tears
I spend all night looking for you

Come come back to me
You say say I love you again
Like some movie
Appear in front of me again Oh oh Yeah

I miss you so much
I want to hold you so much
Without you, I don't know, don't know, don't know
I don't know, don't know, don't know
I don't know, don't know, don't know
I spend all night
Waiting just for you
You really don't know
That without myself knowing
I was searching for you

I, I, I, I'm following you
I, I, I, I'm following you
I, I, I, I'm following you
I, I, I, I don't know

A day without you
I can't smile
Whether I look at the sky
Or the mirror
I only see you
I sometimes listen to the music
We listened together
My heart
My heart
Hurts so much I can't sleep

In this dark night
It's making you sadder
Like some song
Don't leave me Oh oh Yeah

I miss you so much
I want to hold you so much
Without you, I don't know, don't know, don't know
I don't know, don't know, don't know
I don't know, don't know, don't know
I spend all night
Waiting just for you
You really don't know
That without myself knowing
I was searching for you

Come back to me
Turn around and face me
Without you
I can't do anything
Now because of you
Because of you
You really don't know
My crying heart

I miss you so much
I want to hold you so much
Without you, I don't know, don't know, don't know

I don't know, don't know, don't know
I don't know, don't know, don't know
I spend all night
Waiting just for you
You really don't know
That without myself knowing
I was searching for you
