Baby Baby Maybe Maybe
Baby Baby Maybe Maybe

I dream of Fluffy
Abstractedly virgin
The slightest things
Can get me worried

Every day we
Interact through
Email but this feeling
I can not deliver

Ring Ring Ding Ding Ding Dong
I will not calm down
Your restless Me too
Do not annoy me! (Woo baby)

Maybe Maybe I'm in love with you
Your pounding heart Just fall in you
"Hello? What are you doing?"
To your throbbing heart
Hey Maybe Maybe kimi
Which one? Which one?
Teach me to say
I love you Yeah Yeah Yeah

Baby Baby Maybe Maybe
Baby Baby Maybe Maybe

My Chest sometimes
Hurts really bad
I am thinking
About you every time

You know the girl's mind
I used to veer
About casually
Because it goes Up and Down

Ring Ring Ding Ding Ding Dong
I still do not want to turn this feeling off
This remains the voice of Kimi
I want to hear of (woo baby)

Maybe Maybe you are my idea
Everyday Kimi color
"Hello? Can you hear me?"
Oh my mind full of this
Maybe Maybe for you
I want to know more and more

Catch this feeling
Yeah Yeah Yeah

(Woo baby)
Maybe Maybe I'm in love with you
Your pounding heart Just fall in you
"Hello? What are you doing?"
To your throbbing heart
Hey Maybe Maybe kimi
Which one? Which one?
Teach me to say
I love you Yeah Yeah Yeah
