Cute fashion, sparkling passion
Heart throbbing mission Lai... I like you

I'm pretty interested boy, through eye contact
I want you to understand (And I'm No.1)

Could it be that you don't feel it? Isn't it just amazingly dull?
Come be by my side (I wanna be your only one)

More Love, can't believe this, more love

Can you invite me with you?
Get my courage up up, being confused down down
My chance is tonight only

Roly Poly Roly Roly Poly
Flash love at first sight
My heart will dance dance dance dance

I've received it, right now
Catch catch catch me now

I was even caught on your pace, oh
But I won't lose (to me, you are a game?)

I have to chase you around or you'll leave me right?
If you ignore me, I'll be mad (I'll be watching you okay?)

More Love I have More Love
Stop playing me with the teases
If you like me then yes yes, if you're playing, no no
Show me you true feelings
