As If You Didn't Know

T. Graham Brown

Every time we're alone like this
There's so much I wanna say
But we both know what we're feeling
Words just get in the way

But tonight I wanna hold you
And tell you I still love you so
It feels so good to say the words again
As if you didn't know

You were there to reach out and rescue me
When I was sinking helplessly
And nobody else believed
You were there to help me rise above
With your warm and tender love
You never once gave up and I love you so
As if you didn't know

Now there's one thing you can be sure of
You'll never be alone
I'll always be here for you
As if you didn't know

'Cause you were there to reach out and rescue me
When I was sinking helplessly
And nobody else believed
And you were there to help me rise above
With your warm and tender love
You never once gave up and I love you so
As if you didn't know, as if you didn't know
As if you didn't know, as if you didn't know
As if you didn't know
