

The Dark End Of The Street

T. Graham Brown

At the dark end of the street
That's where we always meet
Hiding in shadows where we don't belong
Living in darkness to hide our wrongs
You and me at the dark end of the street
You and me

I know the time's gonna take its toll
We have to pay for the love we stole
It's a sin and we know it's wrong
Oh, but our love keeps coming on strong
Steal away to the dark end of the street

They're gonna find us, they're gonna find us
They're gonna find us, Lord, someday
You and me at the dark end of the street
You and me

And when the daylight hour rolls around
And by chance we're both downtown
If we should meet, just walk on by
Oh darling, please don't cry
You and me at the dark end of the street
You and me
