

## With This Ring

T. Graham Brown

With this ring I promise I'll always love ya, always love you  
With this ring I promise I'll always love ya, always love you

They used to call me a wanderer  
Who never wanted to settle down  
But I'm tellin' you baby  
I wander no more, got to stay around girl

'Cause with this ring I promise I'll always love ya, always love you  
With this ring I promise I'll always love ya, always love you

Got nothing but this ol' heart of mine  
And darlin' please believe in me  
Girl, you know, sweetheart  
I'll always try to keep you satisfied girl

'Cause with this ring I promise I'll always love ya, always love you  
With this ring I promise I'll always love ya, always love you

With this ring I promise I'll always love ya, always love you  
With this ring I promise I'll always love ya, always love you

Baby, I never thought so much love  
Could fit inside a little band of gold  
But I'm telling you darlin'  
I feel it in my heart, got it in my soul, girl

And with this ring I promise I'll always love ya, always love you  
With this ring I promise I'll always love ya, always love you  
So with this ring I promise I'll always love ya, always love you  
With this ring I promise I'll always love ya, always love you
