

At the Bar

T.I.

Bartender I really did it this time
Broke my parole to have a good time
When I got home it was 6 A.M.
The door was locked so I kicked it in
She was tripping on the pills,
I think she was high on some pills
She through my shit out into the yard
Then she called me a punk and slapped me real hard
And in my drunken stupor I did
What I should of never done
Now I am sitting here talking to you
Drunk and on the run

I sitting at the bar on the inside waiting on my ride on the outside
She broke my heart at the trailer park so I jacked her keys to her fucking c
ar
And crashed that piece of shit and stepped away

You know Moe, I'll probably get ten years
So just give me beers until they get here
Yeah I know the sun is coming up
And y'all are probably getting ready for closing up
But I'm trying to drown my soul
I am tired of this life on a dirt road,
And everything that I love is gone
And I'm tired of hanging on
She got me sitting at the bar

I sitting at the bar on the inside waiting on my ride on the outside
She broke my heart at the trailer park so I jacked her keys to her fucking c
ar
And crashed that piece of shit and stepped away

Guess it was meant to be romance
Is misery so much for memories
And now I am heading to the penitentiary
See me on TV the next cop series
I am a danger I guess I should have did something about my anger
But I never learn, real things I don't concern
I pour kerosene on everything I love and watch it burn
I know it's my fault but I wasn't happy it was over
She threw a fit so I crashed that piece of shit

And now I am going back again
Back to the pen to see my friends
When we all pile up on that county van
They'll ask me where I've been
I've been at a bar on the inside

I sitting at the bar on the inside waiting on my ride on the outside
She broke my heart at the trailer park so I jacked her keys to her fucking c
ar
And crashed that piece of shit and stepped away
