T.I.

Look at this little nigga, man Ay T.I. is that really you man? Yeah shawty, what's happenin'? Ay man can you give me a ride home, man? Man, it's 2:30 in the muthafuckin' mornin', what the fuck you doin' out here Out here trappin' tryna get rid of this bomb and purp, man Man you can come with me on one condition What's that bruh? Let me convince you to put that bomb down I knew it T.I. What? You wasn't really on that dope boy shit I tell you what shawty, get in man I'll show you how to tote that tool Make that double Better be cool, you don't want no trouble Keep it leanin' to the left My gat stay cocked $\ensuremath{\text{I'm}}$ always super clean when you see me on the block Keep my money in a knot with a rubberband on it Blow to marijuana, know I got it if you want it See me standin' on the corner, slangin' that crack You know how it is to be the man in trap

(I betcha think you pretty good at it now, huh?)

Take twelve fifty go git ya two and a baby Yeah sixty three grams if you whip that right

At this rate you'll be at a brick in no time

Now once you flipped a couple o's know the game get gravy

you should get back five or six that night Stack that money and repeat that twice
Buy you somethin' to ride in, ya gotta be tight
Next time you buy somethin' take twenty-five hundred
Get four and a half it come back in nine don't it
Now stay low key when the money keep comin'
Keep some niggas on ya team to show these suckers they don't want it
By then your connect will clearly see you on ya grind
Shit you come to get a nine and he front you what you buyin'
As long as you bring back your money on time
And if you snort blow, do it on your own time

They say the want some weight, tell them niggas stand in line
