

Everything on Me

T.I.

Hey shawty throw that ass up
For me while you back up
To me niggas stand up
For me let's go, yea
Shawty lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
I make em put that ass up
For me while they back up
To me niggas stand up
For me let's go

Shawty won't you lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
Everything on me but I could put it on you Everything on me, let me put it on you

I'm in the club late night get my freak on
Remy XO leave that hennessy lone
And 2 3 turning me on and got nothing but they high hills and they weave on
If you ain't freaking over here you ain't be known
Do if you feel good no matter if it seem wrong
She say I got a ding dong like king kong we can gon kick it,
Wait a minute That's my theme some
Hold on I want yo body I'll pull it out put it on your body
You and me we can leave have a late night party
Do it for me like I like it I might just buy a Maserati

Shawty throw that ass up
For me while you back up
To me niggas stand up
For me let's go, yea
Shawty lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
I make em put that ass up
For me while they back up
To me niggas stand up
For me let's go

Shawty won't you lift that ass up
Drop it, got it standing rock solid
Well if there's money in my pocket here you go
Everything on me but I could put it on you Everything on me, let me put it on you (Let's go)

Dominican Asain Brazilian big booty white girls who like girls walk in they head again
Black and Puerto Rican you freak'n for the weekend say yes you straight down leavin
You say no why we cheatin
But all do respect I don't front I don't flex tell your girlfriend wid cha I just wanna have sex
You so fine I'm impressed ghetto booty perky breast grinding on me in my lap
I'm about as hard as I can get
And she smiling looking back yeah I know you feel that, that pa-

pussy so fat and wet let me put it to the test
So it's all over she tried to pair it she said ain't finna share it I said y
ou gon need a towel cause u finna make a mess
Hey that my song, Hold on I want yo body I'll pull it out put it on your bod
y
You and me we can leave have a late night party
