

Dimonds

T. Mills

We're all dimonds, but we're gonna shine forever
Like a diamond in the sky
When they carry me home, when I'm gone,
I'll still be singing a million years after
We are dia-, we are dia-, we are diamonds.

Standing in decline, can't get it by, money make the world go round
Got me living life fast, just like that, it could all end right now
Tell 'em, till I di-e, di-e, give it up when it all falls down
Tell 'em, till I di-e, di-e, give it up when it all falls down

Cause this is how it feels when you find yourself
Kind of like a diamond you mine yourself
Mind over matter, time don't matter
Remember to remind yourself

We're all dimonds, but we're gonna shine forever
Like a diamond in the sky
When they carry me home, when I'm gone,
I'll still be singing a million years after
We are dia-, we are dia-, we are diamonds.

I ain't got a price that will save my life, imma leave it up in the air.
Thinking about the heights that will change my life, never said life was fair.

Till I di-e, di-e, give it up when it all falls down
Till I di-e, di-e, give it up when it all falls down

Cause this is how it feels when you find yourself
Kind of like a diamond you mine yourself
Mind over matter, time don't matter
Remember to remind yourself

We're all dimonds, but we're gonna shine forever
Like a diamond in the sky
When they carry me home, when I'm gone,
I'll still be singing a million years after
We are dia-, we are dia-, we are diamonds.

We don't wish on stars, that's just how we are
We are dia-, we are dia-, we are diamonds

We're all dimonds, but we're gonna shine forever
Like a diamond in the sky
When they carry me home, when I'm gone,
I'll still be singing a million years after
We are dia-, we are dia-,
We're all dimonds, but we're gonna shine forever
Like a diamond in the sky
When they carry me home, when I'm gone,
I'll still be singing a million years after
We are dia-, we are dia-, we are diamonds.
