Grab your hand, now we're leaving  
Lets go to my place  
Theres no time to waste  
I can tell by that look on your face  
That you don't want to wait  
And we could take this slow if you want to  
Have a drink and see how shit goes  
I just wanna touch you  
Dim the lights lets lose our clothes

I'm a comfortable mess  
Everytime we get undressed  
And we head to the bed  
And your down for some sex
