

## DPC (Dollar, Pound, Cake)

T Mulla

I woke up in a dream yeah yeah but you were still asleep (Still asleep)  
This money doesn't sleep (No it don't)  
I get it every week (Yeah)  
I woke up in a dream yeah yeah I'm living with the team (Didn't even know)  
We're getting all this cream (That's right)  
I beg you put your hands up if you know what I mean

I did it for the dough, the dollar, the pound, the cake, the dollar, the pound, the cake  
The dollar the pound the cake  
The dollar the pound the cake  
The dollar the pound the cake  
The dollar the pound the cake  
The dollar the pound the cake  
The dollar the pound the cake

Money in the air why I gotta sleep for? (I secure the bag, I secure the bag)  
Had to put in work, busy tryna see more  
You was in your room playing on your P4  
Ok, I don't play no games when it comes to the money I don't play no games (I don't play)  
And I can never splash on the hoe when it comes to money I don't play those games

Bad b and she devilish, have her coming right back like hector when I bell her in  
And I like my girls melanin, but all types I can get em in  
I fuck her make her scream yeah yeah I'm putting her to sleep  
She said she wanna see me again sometime  
But I wanna make money for the rest of the week

I did it for the dough, the dollar, the pound, the cake, the dollar, the pound, the cake  
The dollar the pound the cake  
The dollar the pound the cake  
The dollar the pound the cake  
The dollar the pound the cake  
The dollar the pound the cake  
The dollar the pound the cake

I'm like fuck my ex, fuck up a cheque  
Still belling down my line, for real mate?  
Then I had to see that bitch up in creams like please all I wanted was a waffle and a milkshake  
Chase bread then they bread you  
I got fake friends that I'm next to  
And suddenly the peng tings wanna sext you  
But I ain't tryna Impress you cah  
It's just me myself and I  
Me myself and money  
Better spend it right  
Cause, being broke ain't funny  
Me myself and I  
Me myself and money  
Better spend it right  
Cause, being broke ain't funny

I woke up in a dream yeah yeah but you were still asleep  
This money doesn't sleep
