Put it in sport, see which buttons we can press later  
Link me now 'cause the whip cost fifty thou-  
Tryna flip these pounds  
Dashing in a machine, yeah)

Fresh white Airs, no dusty trainer  
Clean drip, it must be plainer  
Phone ringing, it must be K1  
Juice and bad, tell her to save some  
Polo trackies, man's in fashion  
Polo balance, man's so pattern  
Fleet ones wanna do G and finesse  
Gang know better so that don't happen

These tings wanna know what the youth's about  
Fresh white top and a brand new Gucci pouch  
Shoe box, money in coupes accounts  
If you don't invest, you're losing out  
If my girl's fly, we flew them out  
Came back ends now she want move to south  
Watch how your mandem move for clout  
Niggas just love to move their mouth  
Par with the gadgets, you're with the annex  
Rah, all of that ass, asset  
Man's old school like video cassette  
Jackson, Janet, EO baddest  
Flip these pounds

'Cause the whip cost fifty thou-  
Flashy in a mashy, yeah

Bad gal with excess back  
FaceTime for my excess match  
Don't care if your uni's far  
I'll get there in in my two litre  
I'll get there again and again  
Now you're in the end in my two litre  
Gotta look out for the feds  
The boy's with the badge like Blue Peter
