

Can't Believe It

T-Pain

She make me feel so good
Better than I would by myself or if was with somebody else
You don't understand she make the people say yeah, yeah

I can put you in the log cabin, somewhere in Aspen
Girl ain't nothing to the pain ain't trickin' if you got it what you asking,
for
Put you in the mansion, somewhere in Wisconsin (Wisconsin)
Like I said ain't nothing to the pain we can change that last name what happenin'
Cause you look so good
Tell me why you wanna work here? I put you on the front page of a king magazine,
But you goin' get yourself hurt here
Eh, baby I brought you in the back just to have a conversation
Really think you need some ventilation
Let's talk about you and me

Oh, I can't believe it
Oh oh she all on me (on me)
Man man I think she want me (want me)
Nah I can't leave her lonely, no

And you don't understand she make the people say yeah, yeah, yeah
She hit the main stage she make the people say yeah (yeah), yeah (yeah), yeah

I could put you in the condo
All the way up in Toronto
Baby put you in the fur coat, riding the MurciÃ?ago
I put you in the beach house
Right on the edge of Costa Rica
Put one of em lil' flowers in your hair have you looking like a fly mamacita
(Fuego)
Cause you look so good
You make me wanna spend it all on ya
Get up out this club
Slide with ya boy
We can do what you wanna, Yeah
Baby I brought you in the back cause you need a lil' persuasion,
Plus you need a lil' ventilation
Let's talk about you and me

And you don't understand she make the people say yeah, yeah, yeah
She hit the main stage she make the people say yeah,
(She make the people say) yeah, (she make the people say) yeah (T-Wayne)

Now I can put your ass out, oh
Keep running your mouth
And if yo brothers come tripping I'ma show 'em what these teardrops bout
Shawty I was just playing
Oh but I can take you to the Cayman, Islands
Have you screaming and hollering
We gone be making, love on the beach
The people see what we doing
Aww they pointing and oh'in
Oh but we gone keep on doing, it

Like it's just me and you and no one else around
It went down on the balcony,
And her legs are open how Sweet,
Shawty like a model out the Penthouse Sheets,
That's why I got her on my Penthouse Sheets.

And you don't understand she make the people say yeah,
(She make the people say) yeah, (she make the people say) yeah
She hit the main stage she make the people say yeah, yeah, yeah,
