

Do It

T-Pain

Woah woah woah, heh
Woah woah woah, nah

Oh, you did it to me, you did it to me twice
Now I needed in my life
I'm in the mood to get it, you do it to me right
Do, do it to me right
[?] smack down
I can hear your girls in the background
You put it on me and I don't know how to act now
I'm thirstier than a bitch
And every fucking night you got me working for the shit

That's how you do it
Yeah, this is how you do it
That's how you do it
You see me tryna get through it
Yeah, I should probably fall back now
I'ma wait on you to call back now
I called a million times, I lost track now
You put me in the zone
And every single night you got me looking at my phone like

Ooh, you bitch, you
I hit you on WhatsApp again, "What's happening?
Who's that dude with you?"
I was on Snapchat again, snap snappin' it
You need to put snap down
Make her fucking [?] hit me back now
I'm tryna be cool but I'm mad now
And we can fix that
Just shoot a quick text and I come whatever you at

That's how you do it
Yeah, this is how you do it
Yeah, that's how you do it
You see me tryna get through it
Yeah, I should probably fall back now
I'ma wait on you to call back now
I called a million times, I lost track now
You put me in the zone
And every single night you got me looking at my phone like
