

## Go Head

T-Pain

Huuh  
Yeah

I ain't seen you smile as much since we were little (Little)  
And I ain't seen you clown as much in a long time, long time  
But now you got that cup full of drink  
Mind full of thoughts  
You don't give a fuck of what we think  
You gon' break it down for us all  
Congratulations baby, looks like you made it baby  
I don't know what you're stressed about  
But it look you're finally stepping out (You're stepping out)  
You're stepping out, ooh baby  
You're stepping out (You're stepping out)  
You're stepping out, ooh baby  
You'll be rocking the fuck out of that ponytail  
Take off all of your earrings  
Make a toast to that good life  
Everybody in here say

Go ahead  
Go ahead baby, do you tomorrow  
Don't be scared baby, ooh  
You'll be rocking the fuck out of that ponytail  
Take off all of your earrings  
Make a toast to that good life  
Everybody in here say go ahead  
Go ahead baby, do you tomorrow  
Don't be scared baby, ooh  
You'll be rocking the fuck out of that ponytail  
Take off all of your earrings  
Make a toast to that good life  
Everybody in here say go ahead

I ain't seen your man so sad  
And your dad is so mad you must be doing something right, right, right, right  
Left you in your face  
You ain't got no worries, huh  
You ain't worried about nothing it's your night, night, night  
You was Mrs. goodie goodie 2 shoes  
Now you got 23's on your shoes  
You didn't got about 2 or 3 fights (Fights, fights, fights)  
Oooh, make me feel some type of way  
Beg a nigga wanna get you that fight (Fight, fight, fight)

You got that cup full of drink  
Mind full of thoughts  
You don't give a fuck of what we think  
You gon' break it down for us all  
Congratulations baby, looks like you made it baby  
I don't know what you're stressed about  
But it look you're finally stepping out (You're stepping out)  
You're stepping out, ooh baby  
You're stepping out (You're stepping out)  
You're stepping out, ooh baby  
You'll be rocking the fuck out of that ponytail

Take off all of your earrings  
Make a toast to that good life  
Everybody in here say

Go ahead  
Go ahead baby, do you tomorrow  
Don't be scared baby, ooh  
You'll be rocking the fuck out of that ponytail  
Take off all of your earrings  
Make a toast to that good life  
Everybody in here say go ahead  
Go ahead baby, do you tomorrow  
Don't be scared baby, ooh  
You'll be rocking the fuck out of that ponytail  
Take off all of your earrings  
Make a toast to that good life  
Everybody in here say go ahead

Oooh  
Yeaah  
Hmmm, make a toast to that good life  
Everybody in here say go head
