Licking your belly button  
Touchin and rubbin but this nigga look jus like me  
He got dreads and gold teeth  
(YEEAHH)

Now I know we jus broke up  
Week and a half ago  
How was I to remember the anniversary  
Baby I sorry  
(YEEAHH)

But you know...

Ain't nothing going on tonite  
Cause I'm the Phantom in your Operrrrraaaa  
I'm the Phantom in your Operrrrraaaa

Now I can't leave ya'll alone tonite  
All the lights gonna be on tonite  
Ohh I'm the Phantom in your Operrrrraaaa  
He won't get none  
You won't either  
Till I get mine

YEEAHH... YEEAHH

I'm a wait until ya'll get real into  
Jus about to do it  
The mood is set  
And I'm a mess ya'll up  
I bet that sucks  
To be him

I'm a call  
And hang up  
Call again  
And hang up  
HEEEELLLLLLOO  
Do you like scary movies  
Then I'm a do it again  
Am I scaring your friend  
(YEEAHH)

Let's play a game  
(YEAH)  
I'll be Teddy Pain  
(YEAH)  
You'll try to do your thang  
(YEAH)  
And I'm a block that cock  
And I'm a make ya'll stop  
(YEEAHH)

Ain't nothing going on tonite  
Cause I'm the Phantom in your Operrrrraaaa

All the lights gonna be on tonite  
Ohh I'm the Phantom in your Operrrrraaaa
