

Ooh-ooh-ooh  
You say I'm toxic, but (Ooh-ooh)  
I thought I heard exotic (Ooh-ooh, ooh, yeah)  
I'm the only you'll ever need  
Ooh, let's just, just agree to disagree  
Boop, boop

I don't want my friends havin' other friends (Friends, oh)  
You know how that make me feel (Yeah-yeah, yeah-yeah)  
I don't want you hanging 'round no other men (Yeah)  
Baby, that's just not what's in the deal (Yeah)  
'Cause all the bullshit, you keep callin' the security  
I'm just not with the foolery, don't know what you do to me, oh (Oh)  
Plus, all that bullshit I heard you talking 'bout  
On the phone, you thought you was all alone  
Now you actin' grown, what's goin' on? Oh

I told you, I'm the only one that you need (Yeah)  
Tell me who you talkin' to, where you walkin' to, what you 'bout to do, I need to know  
Baby, let's just agree to disa-, sheesh (Yeah)  
How would you feel? How was you still in the streets  
When you got the number one dude in the sheets?  
Baby, tell me how you do this to me? (Oh)  
You ain't doin' nothin' to stop it  
You said that you like me  
Girl, you know I'm toxic  
I'm the only one you'll ever need

Your mama better be the only girl that's on your phone (Yeah)  
And I got my eyes on her still  
To be honest, I don't wanna go to bed alone (Bed)  
But niggas just can't keep it real (No way)  
You know I'ma trip when you leavin' me read  
Then make it up to me, it gotta be head  
You sayin' you home, but ignorin' your phone  
I'll blow up your line 'til the battery dead, uh  
I just met this nigga, first date  
I'm tryna jump the broom day three  
Might let the wedding choir sing

I'm the only one that you need (Yeah)  
Tell me who you talkin' to, where you walkin' to, what you 'bout to do, I need to know  
Baby, let's just agree to disa-, sheesh (Yeah)
