

Work

T-Pain

Yeah [x4]
Let Do It [x3]

Man I got stacks of Money in my Livin' Room
Bitches all with they titties out
Niggas watching my backyard cause that black car can buy Diddy's House
Act Hard and I'm kicking out, that 9 stay sticking out
T-Pain looking bad that don't exist like Hello Kitty's Mouth
Pop the trunk and I'll pack it up
Chevrolet with a few teeth missing
Hit the spot than I'll back it up
Abracadabra them keys shipping
And I'm like Give us Free, Nigga give us Free [x2]
I'm a boss getting head from 2 hoes unless I hit up 3
I be putting in Work

Man I be putting in work (I be putting in work)
People say my house look like a factory (Factory)
Federales coming after me (After Me)
They ain't gonna capture me man I be putting in Work (I be putting in Work)
And all these bitches Adore Me (Dore Me)
So if they looking for me (Looking For Me)
Tell them Mothafuckas I be putting in Work
Work, work, work, work [x3]
So if they looking for me (Looking For Me)
Tell them Mothafuckas I be putting in Work

Now it's imperative, that I take care of this
I snatch yo bitch up out of that tub man like Harriet
I know they scared of this, cause [?] nigga better than what I got on my team
I done got hella rich I went back to the dreads again I had to go and get clean
I done surrounded myself with Drug Dealers and niggas that just got out
And I don't hang with no fuck niggas, everybody round me got clocks
And We Hollaring bout, Give us free [x3]
I'm a boss getting head from two hoes unless I hit up 3
I be putting in Work

10 Million won't hurt me, I'm set for life in this shit Nigga
None of y'all niggas gone murk me, I spend a night with your bitch
Than Ima have to end the night, straight licking, Ima spend it right when I get it
Keep my enemies tight but no slipping, they be feeling the hype when I'm in it
Man the rhythm be nice when I'm spitting, shitting on them
That shit don't phase me, every last song I drop, hitting on them
Got a basement full of hoes, and me and my wife feeling on them
And they be kissing on me, all like give us free
I'm a boss getting head from two hoes unless I hit up 3
I be putting in Work
