

# Soul Destruction

T'Pau

Na na na na hey yeah  
Na na na na hey yeah  
Na na na na hey yeah

A Chinese Whisper's going around town  
Everybody knows  
That you took my love and rubbed it in the intimacy  
Shared by you both, well  
A cold revelation's raising the rool  
Naturally i was kept from the truth  
Oh but now I'm sure

Of my hearts disgrace  
And the loss of face  
You threw it all away  
Now I just want to say

What do you want oh  
To hurt me for  
With your soul destruction  
And when you're given a love  
And you break it up  
That is soul destruction  
You make a ghetto for my soul

So there you are with your head in your hands boy  
What do you want to say  
That it's me you really want  
Those other girls don't mean a lot  
It just sort of happened that way...well  
I got some news are you listening now boy  
My life is not a game  
Love is not a toy

What do you want oh  
To hurt me for  
With your soul destruction  
And if you're given a love  
And you break it up  
That is soul destruction  
You make a ghetto for my soul

You have no idea  
What I'm going through  
You see all my belief, it's been blown away  
'Cause you see, I thought I knew you

Na na na na hey yeah  
Na na na na hey yeah  
Na na na na hey yeah  
Na na na na hey yeah  
Na na na na hey yeah  
Na na na na hey yeah

What do you want oh  
To hurt me for  
With your soul destruction

And when you're given a love  
And you break it up  
That is soul destruction  
Don't make a soul ghetto

What do you want oh  
To hurt me for  
With your soul destruction  
And when you're given a love  
Oh you break it up  
That is soul destruction  
Na na na na hey yeah

What do you want oh  
What do you want oh  
Hurt me for  
Soul destruction  
And when you're given a love  
You break it up  
That is soul destruction  
Na na na na hey yeah
