## **Precious Star**

Like a precious star

Ooh like a precious star you are, Ooh like a precious star you are, I wanna spend my life with you Ooh like a precious star you are, And will you love me Like you said when we met child Ooh like a precious star you are, Ooh like a precious star you are

Ooh like the silver moon above Is the night right for love, Ooh like the silver moon above Is the night right for love, But will you love me Like you said when we met child Ooh like a precious star you are, Ooh like a precious star you are

Do do do da do da do Da do da do da Do do do da I wanna spend my life with you, yeah Do do do da do da do Da do da do da But will you love me Like you said when we met child Ooh like a precious star you are, Ooh like a precious star you are

Like a precious star you are Like a precious star you are Like a precious star you are But will you love me like you said when we met child Ooh like a precious star you are, Ooh like a precious star you are

Oh yeah Oh yeah, like a precious star you are
