

Till Dawn

T. Rex

One and a two and a three and four, hey

Golden eyes on a sunset lawn
Make me feel so glad to be born
Broken pages on the edge of night
Make me want to squeeze you tight
Till dawn
Till dawn oh

Heat will fly on a sky of gold
Rivers flow like diamonds oh
Sweet angel girl I need you now
Locked around me like a burning house
Till dawn
Till dawn oh

Golden eyes on a sunset lawn
Make me feel so glad to be born
Broken pages on the edge of night
Make me want to squeeze you tight
Till dawn
Till dawn oh

Till dawn t-t-till dawn Till dawn t-t-till dawn
