

Fly Away

T-Spoon

Standing Far Away From Home
Walking Through The Message On The Phone
This Is... More Than Love

Fly Away
Tell Me That You Want Me Here To Stay
One Day I Will Be A Sunday
Fly Away
Take My Hand We'll Never Say Goodbye
I Can See The Future In Your Eye

Standing Far Away From Home
Walking Through The Message On The Phone
This Is... More Than Love
Still I Often Wonder Why
Teardrops Keep On Falling From Sky
This Is... More Than Love

Fly Away
Tell Me That You Want Me Here To Stay
One Day I Will Be A Sunday
Fly Away
Take My Hand We'll Never Say Goodbye
I Can See The Future In Your Eye

How Many Lovers Have You Seen
Could You Be Another One Like Me
In A Fantasy
I Know Why I Run From You
Passion Takes Me When The Night Turns Blue
In A Fantasy Just You And Me

Fly Away
Tell Me That You Want Me Here To Stay
One Day I Will Be A Sunday
Fly Away
Take My Hand We'll Never Say Goodbye
I Can See The Future In Your Eye

Why Don't You Come With Me
Into My Fantasy
Your Choice May Be
Virtual Reality

Fly Away
Tell Me That You Want Me Here To Stay
One Day I Will Be A Sunday
Fly Away
Take My Hand We'll Never Say Goodbye
I Can See The Future In Your Eye
