

# Higher Higher

T-Spoon

In The Dawn She Came And Took Away My Pain  
Now That I've Felt Your Touch I'll Never Be The Same

Come Together One And All  
See The Future Standing Tall  
Peace And Happiness For All  
Higher, Higher  
When You Are Feeling Down  
I Will Lift You Off The Ground  
If You're Lost You Will Be Found  
Higher, Higher

Today I Turned On The TV-Set  
And Everything Was Wrong  
Because A Man With A Silver Face Was Deviding Everyone  
He Said That I Am The Future  
So Forget About The Past  
I Saw It In Your Eyes  
You Don't Walk The Path

I'll Show You How To Get There  
I'll Show You How To Get There  
I'll Show You How To Get There  
I'll Show You How To Get There

In The Dawn She Came And Took Away My Pain  
Now That I've Felt Your Touch I'll Never Be The Same

It's Not A Dream That I'm Living  
It's Something You Should Know  
You Have To Follow The Path Of Life To A Place Where U Can Grow  
I'll Show You How To Get There, Follow Me  
Come Along And You Will See  
This Is The Way To A Better Life  
Where Everyone Is Free

I'll Show You How To Get There  
I'll Show You How To Get There  
I'll Show You How To Get There  
I'll Show You How To Get There

Come Together One And All...  
And See The Future Standing Tall...  
When You Are Feeling Down I Will Lift You Of The Ground  
If You're Lost You Will Be Found  
Higher, Higher
