

# Goin In

T-Wayne

I just started from the bottom  
Thought I was never gon' win  
Had to get it on my own  
I ain't never had a friend  
All these other rappers actors  
Man I swear that they pretend  
Man I'm in the game forever  
It ain't ever gon' end

I just flexed on a swoop, and I'm still goin' in  
I just slid back the roof, and I'm still goin' in  
Money stacked to the roof, but I'm still goin' in  
I be ballin', no hoop, and I'm still goin' in  
I just flexed on a swoop, and I'm still goin' in  
I just slid back the roof, and I'm still goin' in  
Money stacked to the roof, but I'm still goin' in  
I be ballin', no hoop, and I'm still goin' in

What you mean Rickey Wayne ain't working?  
I been goin' in full service  
Swimming in the money, sea surfing  
Don't worry bout me, I'm perfect  
Every time I come around they lurking  
So I'm stunting on these haters on purpose  
I'm plugged in with no service  
Give me that beat, I'll murk it  
They praying on my downfall, why they hating on me?  
I ain't even did a [?], but I'm a be all I can be  
Flexed up, I'm killing  
My family good, lord willing  
Bitch I done made me hot but I'm chilling  
Whip so big I could swerve on a building  
It was yesterday, I was sliding on 'em like an Escapade  
When they hear my name they say I'm extra paid  
I'm too fly, that's an extra plane  
I like my women classy, not extra plain  
I pull up, I'm flexing on 'em like a superhero  
That T-Wayne, my flow cool, that's ground zero

I just flexed on a swoop, and I'm still goin' in  
I just slid back the roof, and I'm still goin' in  
Money stacked to the roof, but I'm still goin' in  
I be ballin', no hoop, and I'm still goin' in  
I just flexed on a swoop, and I'm still goin' in  
I just slid back the roof, and I'm still goin' in  
Money stacked to the roof, but I'm still goin' in  
I be ballin', no hoop, and I'm still goin' in

I just sold half a mill  
Yeah I'm still goin' in  
I just signed this deal  
But I'm still goin' in  
Trap booming every day  
Yeah we still goin' in  
Better ask your bitch  
Yeah we still get 'em in  
I just flexed on the swoop

I just balled, no hoop  
20 karats on my chain  
Give a fuck about you  
Lose some [?] long  
Had to get in my zone  
I'm a roll up one  
And tell them hoes go home  
And tell them bitches stay in your league  
Get the fuck out of mine  
I don't give a damn what you're doing  
Baby girl I'm fine  
I'm a stay goin' in  
Forever ever get it  
Feel the middle finger up  
Fuck nigga I ain't finished

I just flexed on a swoop, and I'm still goin' in  
I just slid back the roof, and I'm still goin' in  
Money stacked to the roof, but I'm still goin' in  
I be ballin', no hoop, and I'm still goin' in  
I just flexed on a swoop, and I'm still goin' in  
I just slid back the roof, and I'm still goin' in  
Money stacked to the roof, but I'm still goin' in  
I be ballin', no hoop, and I'm still goin' in
