

## I'm Leanin

T-Wayne

Drink all day, drink all night  
I want this forever, I want this for life  
Give me two cups with a lot of ice  
I want this forever, I want this for life  
I'm leaning, I'm leaning  
I'm leaning, I'm leaning  
I'm leaning, I'm leaning  
I'm leaning, I'm leaning, I'm leaning  
I'm leaning, I'm leaning  
I'm leaning, I'm leaning  
I'm leaning, I'm leaning  
I'm leaning, I'm leaning, I'm leaning

Grab my cellphone, hit [?] up  
He said he'd pour some pints up in the double cup  
That's that muddy trouble, got me feeling lazy  
The real definition of a ball baby  
I drunk up my old drink, damn I need more pints  
Fuck what the world think, they can't tell me nothing  
I'm sipping on slow-mo, grinding, get more dough  
I'm bout to do more shows, I'm on that paper chasing man  
Now we got the whole world tryna lean  
I'm drinking on promethazine  
I got to put it down for my own team  
H-Town, turn up!

Drink all day, drink all night  
Even though I'm clean I'm sipping dirty sprite  
I want this forever, I want this for life  
Naw that ain't my girl but she could get the pipe  
I'm leaning with HP, look at my AP  
Diamonds look tasty, they can't tell me nothing  
All these hoes tryna play me, no girl you can't have my baby  
I got too much sauce, let me [?] at your gravy  
2 double cups got me screwed up  
And I don't know what to do  
Got a couple sprites in a cooler  
Turn up!
