From that field where we don't play no G A M Es  
I know you got a nigga but you know I'm tryna keep  
I heard you was a freak, yeah you know I'm tryna beat  
You ride for a nigga, die for a nigga  
His and hers, get fly with a nigga  
You know I'm a player with the trial little nigga  
You don't need smoke, get high with a nigga  
When it's time to run would you run with a nigga?  
When it come to drama would you kill for a nigga?  
Hold that work, hold the pills for a nigga?  
Get pulled over, catch a case for a nigga?  
Looking for a rider, would you ride with me?  
Hop up in the coupe, take a ride with me  
If she got her own, she ain't got to ride with me  
Hit all of them tricks when she ride that dick
