

# No Cuffin

T-Wayne

The same shit that you loving  
The same shit that I'm cutting  
The same shit that you kissing  
The same shit that I'm missing  
But we ain't doing no cuffing  
We ain't doing no cuffing  
We ain't doing no cuffing  
We ain't doing no cuffing

We ain't doing no cuffing over here  
We ain't doing no cuffing over here  
All we do is get buckets over here  
All we do is get buckets over here  
Hit me on my line cause you looking kinda good baby  
I'm a hit you with the wood baby  
You got a boyfriend, I'm wishing that he would baby  
I just hop inside the stud baby  
I'm from the home of the Rangers  
I would never cuff a stranger  
Hit her with the cliffhanger  
Got her thinking I'm a hang her  
I don't do it like them other guys  
All I ever wanted was a prize  
If shawty says she want to ride  
You can hop in a car and drive

The same shit that you loving  
The same shit that I'm cutting  
The same shit that you kissing  
The same shit that I'm missing  
But we ain't doing no cuffing  
We ain't doing no cuffing  
We ain't doing no cuffing  
We ain't doing no cuffing

Oh, no cuffing, no cuffing  
Just a whole lot of drinking and smoking and cutting, yeah  
We party every weekend  
Told lil mama pull up and bring friends  
I got a fresh pound of OG  
Fuck these bitches, I be smoking with the homies  
No cuffing, it's still fuck the police  
Told her touch it, told her suck it, no teeth  
Hit it from the back and she love that  
All this money and she love that  
Other bad bitches, yeah she love that  
Instagram likes, yeah she love that  
Let her drive the foreign, yeah she love that  
Say her man boring, she don't want that  
Said she getting back together, now you back

The same shit that you loving  
The same shit that I'm cutting  
The same shit that you kissing  
The same shit that I'm missing  
But we ain't doing no cuffing  
We ain't doing no cuffing

We ain't doing no cuffing  
We ain't doing no cuffing
