

Robbery

T-Wayne

You know how it is when you
When you countin' these hundreds
There ain't no wins

I was counting up the rockies
I keep two twins on me, Mary Kate & Ashley
Overseas fuckin' on a thottie
I call her my foreign, Maseratti

I'm with the gang, gang you know it's a robbery
Flippin', whippin' in the kitchen like a hobby
She got that thang, thang ooo it's like Dasani
She just wanna ride the wave, she know my wrist tsunami

Got the rackies in my bag they want it bad
I bought that foreign cause it's something they never had
Run them bands up with the gang, I gave them half
We in the streets, we in the streets just like the ave

I been running up them bands, that's on my soul
Got my chain across my chest, my heart is cold
Keep it solid with the gang, I never told
That's on my soul
I'll never fold

I was counting up the rockies
I keep two twins on me, Mary Kate & Ashley
Overseas fuckin' on a thottie
I call her my foreign, Maseratti

I'm with the gang, gang you know it's a robbery
Flippin', whippin' in the kitchen like a hobby
She got that thang, thang ooo it's like Dasani
She just wanna ride the wave, she know my wrist tsunami

I got them big bands, my whole gang one hundred
I'm in big planes, I'm overseas in London
All these chains on me I really came from nothing
I'm with the gang, gang you know we still runnin'

We got big choppa's they sound like they drummin'
I'm on the block posted up with it, Andre Drummond
I just slide out, popped up that's no Jazz
That's a Lamborghini, that bitch go real fast

I was counting up the rockies
I keep two twins on me, Mary Kate & Ashley
Overseas fuckin' on a thottie
I call her my foreign, Maseratti

I'm with the gang, gang you know it's a robbery
Flippin', whippin' in the kitchen like a hobby
She got that thang, thang ooo it's like Dasani
She just wanna ride the wave, she know my wrist tsunami
