

Spin Back

T-Wayne

She wanna Pop it I told her to Pop it
She know I'm poppin I told her to drop it
She just a option proceeded with caution
She a lil baddie she know how I'm rockin
She want my kids on her face an adoption
We going shoppin whenever we lock in
She know I ain't trippin bout money I got it

Head to the back of the back of the back
Said I went missin I'm snack on the map
He tried to play me he know I'ma snap

I'm bout to slide on the block with a gat
He said I missed so it's time to spin back
He said I missed so it's time to spin back
He said I missed so it's time to spin back
He said I missed so it's time to spin back
I'm on the block and I'm still with my mans
We had to run in the spot for the bands
Brodie was steady sneak dissin the clan
We never turnin our back on the fam
We steady spinnin on shit like a fan
He said he trappin but he sellin grams
I'm in kitchen the pots and the pans
I'm in the kitchen you know that I'm whippin
I slide with the clip in you know I ain't playin
She wanna slide with her friends while
I'm trynna play with the bands
You know what I'm saying
I make it rain on the bitches the heater on me
So I'm walkin around with a tan
I do not flex I just do what I can
I do not flex I jus do what I can

She wanna Pop it I told her to Pop it
She know I'm poppin I told her to drop it
She just a option proceeded with caution
She a lil baddie she know how I'm rockin
She want my kids on her face an adoption
We going shoppin whenever we lock in
She know I ain't trippin bout money I got it

Head to the back of the back of the back
Said I went missin I'm snack on the map
He tried to play me he know I'ma snap
I'm bout to slide on the block with a gat
He said I missed so it's time to spin back
He said I missed so it's time to spin back
He said I missed so its time to spin back
