

# Cruel

Ta-ku

Tell me what you're going through  
When your heart beats like this  
Tell me what you're going to do  
When your heart rate is quick

Hanging from a thread there's no way  
When your reaction has changed  
Tell me what you're going to do  
Trying to get over you

And I won't, I won't, I won't, I won't  
Let you down  
And you won't, you won't, you won't, you won't  
Lay it down  
And I won't, I won't, I won't, I won't  
Let you down

Tell me what you're going to do  
When your heart beats like this

And I don't know why  
You can be so cruel  
No I don't know why  
You can be so cruel  
My heart is a fool  
That you terrorize  
Oh I don't know why  
You can be so cruel

And every time I try to keep up  
I lose my way  
Going down the only road I know  
Trying to block out the pain  
And every time I try to move on  
I see your face  
Going down the only road I know  
Trying to get over you

And I won't, I won't, I won't, I won't  
Let you down  
And you won't, you won't, you won't, you won't  
Lay it down  
And I won't, I won't, I won't, I won't  
Let you down

Tell me what you're going to do  
When your heart beats like that

And I don't know why  
You can be so cruel  
And I don't know why  
You can be so cruel  
My heart is a fool  
That you terrorize  
Oh I don't know why  
You can be so cruel
