

Is that what you wanted? Thrill?  
I got what you wanted, thrill  
Is that what you wanted? Thrill?  
I got what you, thrill  
Is that what you wanted? Thrill?  
I got what you wanted, thrill  
Is that what you wanted? Thrill?  
I got what you

Taking the stress off from you baby  
I don't want to hurt you  
I just want to work you;  
Put your hands in my cuffs, yeah  
Him and them lasers out the way, lasers  
Just wanna surf the wave  
Ashes burned to flames  
I, I'm drained of your water  
I stand still  
She said "Wow! I'm surprised that you're burning over me"  
Me, thrill

Is that what you wanted? Thrill?  
I got what you wanted, thrill  
Is that what you wanted? Thrill?  
I got what you, thrill  
Is that what you wanted? Thrill?  
I got what you wanted, thrill  
Is that what you wanted? Thrill?  
I got what you  
Is that what you wanted? Thrill?  
I got what you wanted, thrill  
Is that what you wanted? Thrill?  
I got what you  
Is that what you wanted? Thrill?  
I got what you wanted, thrill  
Is that what you wanted? Thrill?  
I got what you

Kiss away my secrets  
I wanna know you're there  
I'd hate to know you're lost  
I wanna know your squares  
I gotta get you so close  
I wanna spread your wings  
You hate to love, you love to hate  
But baby fly away, yeah

Is that what you wanted?  
I got what you wanted  
(I hate that you wanted that)  
Is that what you wanted?  
I got what you  
(You're my everything)  
Is that what you wanted? (Baby)  
I got what you wanted  
Is that what you wanted?  
I got what you

(You're my everything)  
Is that what you wanted? (You're my...)  
I got what you wanted  
Is that what you wanted?  
I got what you, (You're my...)  
Is that what you wanted? (You're my...)  
I got what you wanted  
Is that what you wanted?  
(I just can't believe it, baby)  
I got what you
