

## For What It's Worth

Tab Benoit

Something's happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware  
I think it's time we stop  
Children, what's that sound?  
Everybody look what's going down  
Battle lines bein' drawn  
Nobody's right if everyon's wrong  
People speaking their minds  
Getting so much resistance from behind  
Yeah, stop, children, what's that sound?  
Everybody look what's going down  
Stop, hey, what's that sound?  
Everybody look what's going down  
What a field day for the heat  
Ten thousand people in the street  
Singing songs and carrying signs  
Mostly say, "Hooray for our side!"  
I think it's time we stop  
Children, what' that sound?  
Everybody look what's going down  
Stop, hey, what's that sound?  
Everybody look what's going down  
Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
Step out of line the man's coming to take you away  
Yeah, stop, children, what's that sound?  
Everybody look what's going down  
Stop, hey, what's that sound?  
Everybody look what's going down  
Stop, hey, what's that sound?  
Everybody look what's going down  
You better stop  
Stop  
You better stop  
Stop  
You better stop
