

The Seventh Son

Tab Benoit

Now everybody's talkin' about the Seventh Son
In the whole wide world, there is only one
And I'm the one, I'm the one
I'm the one, I'm the one
The one they call the Seventh Son
Now I can tell your future, it will come to pass
I can do things to you, make your heart feel glad
Look in the sky and predict the rain
I can tell when my woman's got another man
And I'm the one, I'm the one
I'm the one, I'm the one
The one they call the Seventh Son
Now I can say these words that will sound so sweet
I can even make your little heart skip a beat
I heal the sick and raise the dead
And then make the little girls talk out of their head
Now I'm the one, I'm the one
I'm the one, I'm the one
The one they call the Seventh Son
I can say these words that will sound so sweet
I can even make your little heart skip a beat
I heal the sick and raise the dead
And might think I'm jokin', better believe what I say
I'm the one, I'm the one
I'm the one, I'm the one
The one they call the Seventh Son
I'm the one, I'm the one, baby
I'm the one, baby, now, I'm the one
I'm the one, I'm the one
The one they call the Seventh Son
