

# Darkness Prevail

Tad Morose

Call out to the ancient  
Enlighten me  
The seven day creation  
Is this how it was supposed to be?

Something must be wrong  
Forgotten  
What once was is gone  
Did darkness prevail?

Bring back the light  
Darkness be gone  
Nothing is right  
All become undone  
Tears of the world  
Never end  
Prayers never heard  
Darkness prevail

We all are slowly dying  
By ignorance  
For fuck sake open your eyes  
Realise you are the world's demise

Something must be wrong  
Forgotten  
What once was is gone  
Did darkness prevail?

Bring back the light  
Darkness be gone  
Nothing is right  
All become undone  
Tears of the world  
Never end  
Prayers never heard  
Darkness prevail
