

# Masquerader

Tad Morose

I see through the disguise  
I see beyond the lies  
You are transparent  
Invisible to me

Visions unraveling  
Things are getting clearer  
Finally I understand  
The truth is in the mirror

Oblivion  
- Forever alone I roam

To blind to see myself  
The truth remain obscured  
A false reflection  
Immaculate and pure

Through Life we're traveling  
Chasing our desires  
Marching on  
in search of tomorrow  
Unheeded walk in fire

Oblivion  
- Forever alone I roam

Mirror mirror on the wall  
In my dreams  
I hear you call  
Masquerader,  
Deceiver of all  
I am you, you are all
