

Vaunt The Cynical

Tad Morose

Narrow minded
Far beyond the verge
Monomaniacal
Breeds anger breathing hate
Tunnel Vision
Refuse to face what's true
Vaunt the cynical
Arrant Point of view

Perpetual Loneliness
A lifetime sublime
Round by chains
A prisoner of the mind

Life in a lonely world
No matter what
you stand your ground
Life in a lonely world
Succumb to nothing
not even the truth

Astray, the beacon's gone
Still you walk on blind
Blind to the pain you cause
To the ones you leave behind

Perpetual Loneliness
A lifetime sublime
Round by chains
A prisoner of the mind

Life in a lonely world
No matter what
you stand your ground
Life in a lonely world
Succumb to nothing
not even the truth
