

## Daisy

Tad

Here she comes  
Runnin' down the street  
With a bow in her hair  
And there's blood in her eye

She wants no more, no more  
No more, Daisy, no more

Here she comes  
She wants no more

She wants no more, no more  
No more, [?] no more

Here she comes  
Runnin' down the street

Wants no more, no more  
No more, Daisy, no more
