

# Giant Killer

Tad

That's it, yeah  
Better go away!  
And is it, yeah  
Better go away!

I think I lost mind  
I think I lost your lay  
I think I lost there all  
I think I lost my way

That's it, yeah  
Better go away!

Pain is gone away!

That's it, yeah  
Better go away!  
And is it, yeah  
Better go away!

I think I lost my way  
I think I lost mind  
I think I lost my lay  
I think I lost my chair

That's it, yeah  
Better go away!

Pain is gone away
