

## Jack Pepsi

Tad

One night me and my friend  
Jack Helton from Nampa, Idaho  
Decided we was gonna take his dad's  
Brand new 4 x 4 pick up  
Out for a ride on Lake Lowell.  
We had a belly full of Jack Daniels  
And some Pepsi, too,  
And we decided  
We were going for a ride!

Well we got out on that ice and started  
Spinning around doing  
360's and 180's all over the ice  
Slugging down Jack Daniels  
As fast as we could.  
That's when I heard the most horrible sound  
I ever heard in my life!  
And I knew we were  
Going through the ice!

Help me Jack Pepsi!

We broke through the ice  
Sunk down to the bottom  
About 12 feet under.  
Water starts rushing in  
Through the cracks in the doors  
And the windows.  
I started freaking out  
And Jack says "Hey man,  
If you are gonna make it  
Through this alive  
You are gonna have to settle down  
And breathe the air off the roof"  
While the water rushes in!

Help me Jack Pepsi!
