One night, me and my friend
Jack Helton from Nampa, Idaho
Decided we were gonna take his dad's brand new 4x4 pick up
Out for a ride on Lake Lowell
Well, we both had a belly full of Jack Daniels and some Pepsi t
oo
And we decided, we're going for a ride

Well, we got out on that ice and started spinning 'round
Doing 360s, 180s all over the place
Sipping down Jack Daniels as fast as we could
That's when I heard the most horrible sound
I ever heard in my life
And I knew we gone through the ice

Help me, Jack Pepsi
Help me, Jack Pepsi
Help me, Jack Pepsi
Help me, Jack Pepsi

Help me, Jack Pepsi
Help me, Jack Pepsi
Help me, Jack Pepsi
Help me, Jack Pepsi

Well, we broke through the ice, sunk down to the bottom
Water starts rushing in through the doors and the windows
And I started freaking out, Jack says
"Hey, man, to make it through this alive
You're gonna have to settle down
And breathe the air off the roof"
While the water rushed in

Help me, Jack Pepsi
Help me, Jack Pepsi
Help me, Jack Pepsi
Help me, Jack Pepsi

Help me, Jack Pepsi
Help me, Jack Pepsi
Help me, Jack Pepsi
Jack Pepsi
Help me
