

Jinx

Tad

Out of your mind you are
Can't find a way to get back in
Broken thinkin', broken mind
Takes it down paths you never been

I'm a jinx, I'm a jinx
Bad luck follows everywhere
I'm a jinx, I'm a jinx, yeah

So messed up you can't believe
You can't believe in any of your dreams
You're hittin' and you're fightin' all alone
Got mad and cried when you knew it was one

I'm a jinx, I'm a jinx
Bad luck follows everywhere
I'm a jinx, I'm a jinx, yeah

I'm a jinx, I'm a jinx
Bad luck follows everywhere
I'm a jinx, I'm a jinx, yeah

Out of your mind you are
Can't find a way to get back in
Broken thinkin', broken mind
Takes it down paths you never been

I'm a jinx, I'm a jinx
Bad luck follows everywhere
I'm a jinx, I'm a jinx, yeah

I'm a jinx, I'm a jinx
Bad luck follows everywhere
I'm a jinx, I'm a jinx, yeah

I'm a jinx, I'm a jinx
Bad luck follows everywhere
I'm a jinx, I'm a jinx, yeah

I'm a jinx, I'm a jinx
Bad luck follows everywhere
I'm a jinx, I'm a jinx, yeah
