

Particle Accelerator

Tad

Ah
Hey
Hey

Shore of bone, inland sea
Motor functions guiding me
Fill my bat with molten lead
When the light shines through my head

Ah
Hey
Hey

Trust no one but trust your soul
My face is just a gaping hole
Twelve gauge shells around my bed
When the light shines through my head

Ah
Ah
Ah

Battery acid in the brain (Battery acid in the brain)
Jeffrey Dahmer's cure for pain (Jeffrey Dahmer's cure for pain)
Battery acid in the brain (Battery acid in the brain)
Jeffrey Dahmer's cure for pain (Jeffrey Dahmer's cure for pain)

Dreamed a man with caveish eyes
Gave the world a grim surprise
Sorry now the world is dead
When the light shines through my head

Ah
Ah
Ah
