TAELA

Tell me why do I do this every time?  
Let you lie just to have you for the night  
You don't care about me til I'm under your sheets then it's like you forget I'm alive  
Tell me why do you do this every time?

I just need to get this off my chest  
'Cause I don't know if I can feel this pain no more  
I wish that you would take back what you said  
But I'm scared it's gonna only make me hate you more  
But I can't

Wouldn't think you could have this hold on me  
Little things never got me on my knees  
You don't care about me til I'm under your sheets then it's like you forget I'm alive  
Tell me why did you take the best of me?

It's sad that I'm used to excuses  
You promised you weren't gonna do this  
It happens every time

I just need to get this off my chest  
'Cause I don't know if I can feel this pain no more  
I wish that you would take back what you said  
But I'm scared it's gonna only make me hate you more  
But I can't  
But I can't  
But I can't
