TAE LA

I'mma call your ex and I'mma make her my best friend  
So she and I can laugh about the way you suck in bed  
How we only lasted long as you ever did  
(Na na na na na)  
When we walking in you're feeling the revenge  
Double down reminders of what you won't get again  
Cause you were just a one time, two time, wish you got away with it  
(If you thought I was a bitch, watch this)  
(Na na na na na)

Since you took me low  
(Na na na na na)  
I'll put you through hell  
(Na na na na na)  
This time I'm choosing myself  
If you thought I was a bitch  
Watch this  
I could be a fucking lunatic  
I'mma make you wanna pack it up and move out of the city  
Guess you never shoulda started nothing with me  
Cause babe I'm gonna finish it  
You'll get  
Every ounce of karma coming in  
And now you're about to see how cold this little heart can get  
If you thought I was a bitch  
Watch this

God forbid I hated when you stayed out with the guys  
It's actually kinda fun I went and gave 'em all a try  
Funny how they all slid in when they found out we called it quits  
If you thought I was a bitch, watch this  
(Na na na na na)  
Since you took me low
