Yeah tonight it's game on (ace ace)
Talking bout' what I know about
That I'm gonna ace this just...

At the end of a moment I have found you, yoo hoo
I mindlessly move a little bit closer
Your wet lips are like honey, oh yeah
I only imagined this, my boo, oh yeah
Yeah, I want you

You say I look like I don't know women?
That I look like a little prince who doesn't know love?
I just laugh, oh yeah
If you believe in that, you're a fool, oh yeah mm

The stars are disappearing
The moonlight hides in the clouds
Everyone is asleep on this street
The only thing that shines is you
Oh if I let you go like this
It'll be the craziest thing in the world

I want to be your only ace
All the passing by guys who were just so-so
I am a bit different from them, baby what you want

What you've wanted, what you dreamed of
Ace ace ace ace
I'll show you love, fights, sad goodbyes
Will we have this typical cycle?
You don't need to worry about that
Right now, you're in my heart, I'm a blossomed
Ace ace ace ace
Tonight, I'm your only
Ace ace ace ace

Locking, your tightly shut heart
Knocking, slowly
Talking, you'll close up if I rush
Risky you, oh yeah
Little by little, the door is opening

Block out all the light baby
Trap yourself in me
My heart that I cannot control
Fights with my reason
Come into my arms right now
I'll change the world that makes you tired

I want to be your only ace
All the passing by guys who were just so-so
I am a bit different from them, baby what you want
What you've wanted, what you dreamed of
Ace ace ace ace
I'll show you love, fights, sad goodbyes
Will we have this typical cycle?
You don't need to worry about that
Right now, you're in my heart, I'm a blossomed
Ace ace ace ace
Tonight, I'm your only
Ace ace ace ace

Make me feel brand new
After I met you, yoo hoo
Baby it's you yeah
My heart will never change
Believe in my heart, please believe in me
I'mma falling in love yeah

I want to be your only ace
All the passing by guys who were just so-so
I am a bit different from them baby what you want
What you've wanted, what you dreamed of
Ace ace ace ace
I'll show you love, fights, sad goodbyes
