Yeah no matter what anyone says My way
Nothing to tell from my face
The blurted out words without a filter
No oh oh oh
Even the veil that hides the smile
Inside the glass mask is
Lost oh oh oh

Ay You!
You take me apart however you wish
Ay You!
You say things the way you'd like to
Moving around the tip of your tongue, You don't get it get it
Do you never get the keys to my lock

Show your imagination in a more novel way
I destroy the torso that you were chasing after
You already know it too One advice
I'll shoot the one advice

The more you try to trap me, I'll go off the rails so take a
Good look, if you want to see the end, push my buttons
It's for you One advice
Best take my own advice

You keep stigmatizing, Like it
Waves waves mistakes continue Oh oh
Without even knowing the reason again
My heart gets less saturated Oh oh

Ay You!

Looking for something to gossip about
Ay You!
Complete the cruel history
It rings in my ears, You don't get it get it get it get it
Do you never get the keys to my lock

Show your imagination in a more novel way
I destroy the torso that you were chasing after
You already know it too One advice
I'll shoot the one advice

The more you try to trap me, I'll go off the rails so take a
Good look, if you want to see the end, push my buttons
It's for you One advice
Best take my own advice

It's Creepy, the Drama you wanted
The moment it starts
It just gets twisted again
No no you're confused
Why are you crossing the line again
Voi-voice only you're right
The Corner that I'll be trapped

It's Floppy
I close my eyes discreetly
I don't have to
Cover my ears Oh
No no you're confused
Only you know this Love ya
Voi-voice for me
The Loser pours it out, oh

Show your imagination in a sharper way
I destroy the torso that you were chasing after
You already know it too One advice
I'll shoot the one advice

The more you try to trap me, I'll go off the rails so take a
Good look, if you want to see the end, push my buttons
It's for you One advice
