Hey girl, it's not déjà vu  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy

When I open my eyes and quickly call you  
You've already disappeared, my reality scatters  
When I close my eyes again and desperately look for you  
You come to me in a moment  
I'm sure this isn't a dream, baby

Ecstatic attraction, so crazy for you  
Past my control, so crazy for you  
Crazy for you, crazy for you

Time keeps mixing up  
What is real? crazy for you  
Crazy for you oh yeah

Trying to erase you tonight  
But my fading memories are like an after image  
Now I can see you wherever I go  
You live very deeply in me  
I feel you then I suffocate (no more)

Crazy for you, cra-crazy  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy

Hey girl, it's not déjà vu  
I'm sure this isn't a dream  
I feel you, I can touch you, you're cold and closer  
Hurry and wake me up  
Tell me this is real baby

Ecstatic attraction, so crazy for you  
Past my control, so crazy for you  
Crazy for you, crazy for you

We keep missing each other  
Where are you? crazy for you  
Crazy for you woo yeah

You awaken my sleeping instincts  
I want you so bad, I can't hold it in  
You come to me through the moonlight  
I'm filled with only you

This moment feels so far away (come on)

Crazy for you, cra-crazy  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy

Your breath feels so close as if I can touch it  
Even your silhouette is so beautiful  
I see you but I can't believe it  
That's how dazzling you are, girl

Crazy for you, cra-crazy  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy

You and I, you and I, you and I  
We're in a reality on a different dimension  
Take me away, take me away  
Be my world, you

Hey girl, it's not déjà vu  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy  
Crazy for you, cra-crazy
