You're so intense, if it's not me, no one can win you  
I can't hold it anymore  
Bbum bbum bbum bbum bbum  
Open your iron-like heart

I'll appear like the wind, disappear like smoke  
Deceiving your eyes  
I'll approach you like a flower, dig into you like a thorn  
Going after your heart

Danger, tonight, tonight  
Tonight, tonight  
Danger, I'll steal you, I'll steal you away  
(Steal you)

Stay, when my fingers follow you  
You're the only one who shines in this world  
Stay, on this night that swallowed all the darkness  
It's my show time

Danger, with me, with me  
With me, with me  
Danger, disappear, disappear  
(Disappear disappear)

I'm very careful, my target is only you  
I'll count the seconds and

Bbum bbum bbum bbum bbum  
My perfect scenario

I'm like a maze when you look at me  
I'm like sand when you catch me  
Scattered like the fog  
Mysterious like a puzzle

Danger, tonight, tonight  
Tonight, tonight  
Danger, I'll steal you, I'll steal you away  
(Steal you)

Stay, into your transparent trap  
I'll throw myself again  
Stay, only you can see me tonight  
It's my show time

Danger, with me, with me  
With me, with me  
Danger, disappear, disappear  
(Disappear disappear)

Danger, you know everything  
Oh baby yeah  
You move me and control me again  
Oh baby yeah

Danger, tonight, tonight  
Tonight, tonight  
Danger, I'll steal you, I'll steal you away  
Steal you  
Danger, with me, with me  
With me, with me  
Danger, disappear, disappear  
(Disappear disappear)

Stay, everything is going as you planned  
The truth is in your hands  
Stay, like you have the whole world tonight  
It's my show time

Danger, tonight, tonight  
Tonight, tonight  
Danger, I'll steal you, I'll steal you away  
Steal you  
Danger, with me, with me  
With me, with me  
Danger, disappear, disappear  
Disappear, disappear
